The Artists

Lee Guerro

Tribal Affiliation: Navajo

Art: Lee is a silversmith. He creates his pieces using all raw materials, none are cast. This makes every one absolutely unique. His finished product could be considered crude at first glance but given closer inspection you can see beautiful details of a highly skilled craftsman. He incorporates many different stones from the traditional turquoise to opal, jasper, slag (glass), and the local quahog clam shell known as wampum when shaped and polished.
